Plan Revised July 8, 2021

What is Title I?

McEver Arts Academy is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how McEver Arts Academy will provide opportunities to improve parent engagement to support student learning. McEver Arts Academy values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that McEver Arts Academy will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

McEver Arts Academy invited all parents to attend our annual Title I Input Meeting last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year including our annual Community Cares event.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. McEver Arts Academy will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, after revision, the plan will be available in the office. The plan will also be posted on our school website (mcever.hallco.org) and emailed through IC or REMIND. Parents can also retrieve a copy of the plan in the Parent Resource Center.

The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

McEver Arts Academy is committed to helping our parents and families attend the family activities listed in this policy. Please call or email us if you need assistance with child care or transportation in order to participate in our programs.

McEver Arts Academy

McEver Arts Academy will take the following measures to promote and support parents and family members as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

- ✓ Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school website, and included in the monthly school newsletter for all families.
- ✓ Provide trainings for staff on strategies to improve communication with parents and ideas to increase family engagement. Staff will also share best practices. The trainings will be through Canvas Modules, four times throughout the year.
- ✓ Partner with early childhood programs through Pre-K to Kindergarten readiness/transition program; middle schools to provide a transition orientation day, complete college and career ready activities and portfolios to help prepare parents and their children for successful school transitioning.
- ✓ Share information in English and Spanish through Snack and Learn events for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding school wide events and activities, through phone messages, social media, and newsletters.
- ✓ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
- ✓ Use our Partners in Education and School Staff to improve awareness of the activities and events listed in the school parent and family engagement policy.
- ✓ Offer literacy classes for parents and family members to help further enhance their various educational levels—once we are able to open the school back up to parents or we can offer Zoom.
- ✓ Collect feedback from parents and family members at all virtual events and post a suggestion form on the school website in order to respond to parents' requests for additional support for parent and family engagement activities.
